About Us

- Kids Tech U adheres to the GA ASYD (Afterschool Youth Development) Quality Standards.
- Our staff are background checked through the COGENT system (locally and nationally).
- Additional checks used are E-verify and professional/ personal references.
- Kids Tech U staff consist of a team of professionals with backgrounds in Information Technologies, Social Services, Education, Administration, Marketing, and more.
- We are supported by and partner with major corporations, community agencies, and industry leaders.

Daily:

- Stretch & breath.
- Recite positive words of affirmation.
- Vision accomplishment and success.
- Receive daily task and goals.
- Set next set of goals.
- Identify careers and the needed credentials.
- Learn professional processes and practices.
- Gain knowledge and experience in the selected tracks (game design, app development, data science, analysis, web design, virtual reality, office suites, robotics, art, and more).
- Display application of skills.
- Reflection & journal.

Payments/ Fees:

- **Registration fee of \$20.00 . Weekly fee \$ 40 . Days: Tuesdays & Thursday**
- Please make **cashier's checks** or **money orders** payable to **Hybrid Vision Technologies**.
- Don't forget to include your ***child's (Trainee's) name*** as the ***account number*** at the bottom of check.
- **Sibling discounts apply**. Payment for each week, must be made by the Friday of the previous week. No later than the Monday of current program week. Late payments are subject to a \$5 late fee.
- Any Trainee with consistent unpaid balances or excessive late fees; may be subject to disenrollment from the program.
- We understand that "life happens" and things may occur, that make it difficult to make payments on time or at all.
- If students are out for a week or more with an illness or family emergencies; students will not be charged for that week/or weeks. The student will NOT have to pay a new registration fee to return to the program. Please communicate with us, so that we may see if there is any way to continue our partnership.
- **Payments are paid weekly**. If a student misses a day out of the program week, due to early check out or other reasons; they will not be reimbursed a daily fee. We require a 2-week notice for students that no longer wish to participate in the program.

Health and Emergencies:

- Kids Tech U, Enrichment Program follows FCS's guidelines for student health and first aid. Kids Tech U program is equipped with a standard First Aid kit. Staff are certified in CPR/ First Aid. In the event of reported sickness and emergencies; parents and their indicated point of contact for emergencies will be contacted via all forms on file.
- Students will wait with program staff until picked up by parent or other person authorized for pick-up. If the situation warrants so, emergency medical personnel (911) will be notified. Program staff will remain on the line to be advised. Parent is advised that Emergency medical staff will be deciding factor on which hospital Trainee is taken too.
- We appreciate all feedback and welcome any communication regarding concerns. Please feel free to submit correspondence in writing via email or US mail to the addresses below. You may also call us at the number provided below.
